

# Day 1

---

**11.05.2026**

---

We read different articles in groups and later discussed them with our peers from other groups. We also answered questions in the etherpad.

# Day 2

---

**12.05.2026**

---

Jakob and I had another online support session where we discussed our plan for the mid-terms with Yann.

# Day 3

---

**13.05.2026**

---

On Wednesday we received another input for VCV-Rack and strudel.
